

The Black Blade

LUTZ[®] multisharp

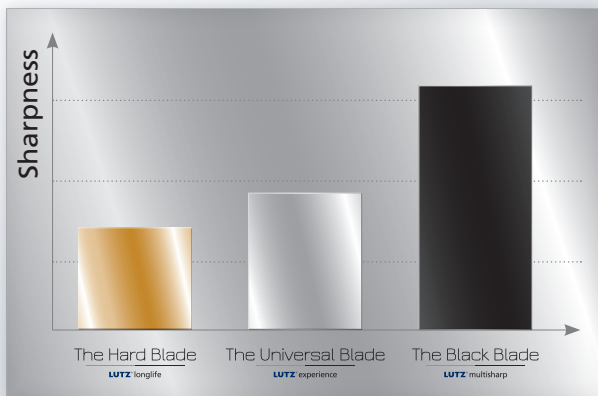

Black means multisharp.

Additional sharpness thanks to special ground blade finish.

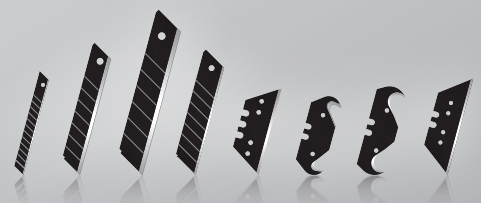

www.the-black-blade.com

When additional sharpness is essential.

The Black Blade – LUTZ[®] multisharp combines the perfect characteristics to simplify your working day: the sophisticated combination of special blade steel and the optimised ground geometry create an accurate cutting tool designed specifically to provide **additional sharpness – to improve cutting, for your benefit.**
